2026

## Happy New Year!

As we welcome January—a month of new beginnings and fresh resolutions—we also take time to give thanks for the past year with gratitude and reflection. We would like to pause and appreciate the progress we have made together. With great joy, we are proud to share that we have successfully **passed our DHS License Renewal**. This achievement reflects our continued commitment to providing a safe, nurturing, and high-quality learning environment for your children. Thank you for your trust, support, and partnership throughout the year. We look forward to another year of growth, learning, and success with our children and families.
