Grace Trinity Academy

Key Takeaways

Who We Are

At Grace Trinity Academy, we are committed to creating a safe, nurturing, and enjoyable learning atmosphere where children can grow, explore, and flourish.

Move-Up Ceremony!

The 2025–2026 school year was truly a remarkable achievement! On June 10th, 19 pre-K children successfully advanced to kindergarten. It has been a genuine pleasure to witness each child's learning, growth, and the attainment of this significant milestone in their educational journey.

We joyfully commemorated their accomplishments with a special Moving-Up Ceremony, which was filled with delightful performances, beaming smiles, and unforgettable moments. We extend our heartfelt gratitude to our families, teachers, and staff for their unwavering support throughout the year, and we wish our graduates all the best as they embark on their Kindergarten adventure!

Christian Education

We are thrilled to honor our children and students who have consistently participated in Christian education throughout the year. This special ceremony acknowledges their spiritual growth, dedication to understanding God's Word, and commitment to embodying Christian values in their everyday lives. We celebrate their accomplishments and pray that they will continue to be steadfast in their faith as they carry God's love and truth into the future.

Move-Up Ceremony

A Year Filled with Memories

SUMMER CAMP 2026

Ready, Set, Summer

SUMMER CAMP—JUNE 15TH TO AUG 14 TH

Welcome to Grace Trinity Academy's Summer Camp!

Grace Trinity Academy is excited to greet all our campers for a 9-week summer filled with engaging activities, hands-on experiences, outdoor play, special events, trips, and chances to make new friends.

Our Summer Camp program is crafted to offer children a safe, nurturing, and enriching environment where they can:

- Explore their interests
- Build confidence
- Develop new skills
- Create lasting memories

JUNETEETH TRIP AND MORE...

Summer campers had the chance to celebrate Juneteenth by visiting the African American Museum. Through this experience, they learned about the significance of equality, diversity, and respect for all individuals.

We are excitedly looking forward to a summer brimming with more enriching experiences that will bring joy, exploration, and unforgettable moments for your children. Thank you for allowing us to be part of your child's summer journey. Together, let's create the most memorable Summer 2026 yet!
